Starlight Hosts First Life-Saving Blood Drive of the Year This Wednesday and Thursday

Due to the coronavirus pandemic, local blood supply remains at dangerously low levels.

NAME OF EVENT: Swope Park Community Blood Drive

EVENT DESCRIPTION: While Starlight is unable to hold live entertainment events at this time, staff and leadership are finding alternative uses for the historic venue. In response to Community Blood Center's continued urgent need for blood, Starlight will host another public blood drive in partnership with Swope Park area organizations. This is the first blood drive at Starlight in 2021.

LOCATION, DATE & TIME: Parking is available along the curb in front of Starlight's east ticket office (across from the Zoo).

- **Location:** Starlight Theatre's Applause Club
- **Dates:** Wednesday, February 10 and Thursday, February 11, 2021
- **Time:** 10:00 a.m. - 4:00 p.m. CST

ADDITIONAL INFORMATION: As regions have reopened and hospitals have resumed elective surgeries, Community Blood Center has issued an urgent call for healthy blood donors. In order to maintain a safe blood supply, a seven-day inventory of all blood types

must be continually replenished. However, the local blood supply has not exceeded a four-day supply since the onset of the pandemic.

Donors are asked to wear a face mask to their donation or one will be provided to them upon arrival. Appointments are strongly encouraged, and walk-ins will only be accepted if capacity allows. Appointments can be made online at savealifenow.org/group and enter Group Code: **EG9Z**, or call 1-877-468-6844.

In order to protect CBC staff, healthy blood donors and our community blood supply, individuals are instructed not to attend the blood drive if they are experiencing a fever or other symptoms of COVID-19 (chills, cough, shortness of breath or difficulty breathing) or have been diagnosed with or suspected of having COVID-19 until 14 days after their illness has resolved. Please note: CBC does NOT test for COVID-19. Additional information is available at savealifenow.org/coronavirus.

About Starlight

Opened as a theatre in 1950 and a nonprofit organization in 1951, Starlight is the largest and oldest performing arts institution in Kansas City and provides inspiring, one-of-a-kind experiences to its patrons. Starlight presents and produces Broadway musicals, concerts and Indoors shows in addition to offering extensive community engagement programming, including classes, scholarships and Starlight's Blue Star Awards, one of the largest high school musical theatre award programs in the nation.

Located on 16 acres in Swope Park, Starlight's historic, city-owned venue is the second-largest outdoor producing theatre in the country and includes rehearsal halls, a museum, club area for dining, concessions, gardens, fountains and a 10-story, climate-controlled stage. About Community Blood Center of Greater Kansas City (CBC)

Community Blood Center, now part of the NYBC family, serves hospitals in the Kansas City metropolitan area, as well as eastern Kansas and western Missouri. CBC provides nearly 200,000 blood products per year to approximately 65 area hospitals – and calls upon about 580 donors each day to meet the need for a life-saving gift of blood. The blood center makes timely deliveries of safe, high-quality products to meet transfusion needs, for routine care and emergencies. For more information, visit <http://www.savealifenow.org/>.
