PROGRAM ELEMENTS

As part of the program, students will participate in a series of exploratory sessions, including theatre performance basics. They will be split into two groups to accommodate social distancing requirements. During all sessions, students and all faculty will remain socially distant and in masks.

Holiday Medley Performances:

Students will have the opportunity to participate in Starlight's virtual holiday greeting. Students will learn several holiday songs, including vocals and choreography, which will be recorded and shared with Starlight's patrons. Participants will be required to submit any conflicts with the rehearsal schedule below by Thursday, September 30. Schedule conflicts may prevent students from participation. During all sessions, students and all faculty will remain socially distant and in masks. Masks will also be worn at all times when not recording audio or video.

Holiday medley rehearsals are:

Sunday, October 10 – 1:00 to 5:00 p.m.

Sunday, October 17 – 1:00 to 5:00 p.m.

Sunday, October 24 – 1:00 to 3:00 p.m.

Recording days will be finalized and sent later in the summer.

ADDITIONAL TRAINING OPPORTUNITIES

Master classes with cast members from Starlight's Broadway season will be scheduled throughout the summer. The days/times of the sessions will be sent out once they have been finalized with the tours.
